Very good. The garden looks much better now.

Yes, indeed.

This is your new home now.

Let's have dinner.

Ok.

I carried a lot of stuff today. Give me a praise.

You did good, boy.

I am not a child, you know...

What did you say?

Nevermind...

I finally figured out what was bothering me!

She was holding the cat when I could just barely touch his head !!!

Couldn't sleep all night.

H...hello.

As expected..., he ignored me.

I have to run to the staff room before going to my class room...

Homework she couldn't turn in yesterday.

Um..., Ga-Un

Would you ... take this ?

Don't bother. I refuse.

Ah ...

Saw that?

Wow, so cool ...

* Cha Ga-Un means "Cold".

He is so cold and so cool

Just what is so "Cool" about him ?!

I feel glares...

His favorite tuna ~

She's here again !

He's here...

I got caught ... (Eating twice)
